----- (fold and tear along this line and keep the information below) -----

Please complete the information above in full, then:-

If you are visiting one of our archery sessions, please leave the top part with the club secretary or a senior club member.

If you wish, you can email with all the details requested above, or a scan of the completed form to parkfieldarchers@googlemail.com

Or, send by post to: **The Secretary, Parkfield Archers, 2 Hilda Clarke Close. Chatteris PE16 6TH**
We can then provide you with further details & explain the next steps.

Briefly:-

Beginners Courses are usually run over four consecutive Sunday morning 10am-12noon

The cost includes the 8 hours tuition by ArcheryGB qualified coaches assisted by trainee coaches or experienced Senior Club members, all equipment required for the duration of the course and a certificate. At time of writing: £60 per adult, £30 per child Under 18. Successful completion will allow you to apply to join any ArcheryGB club (most clubs in the UK)

Parkfield Archers Club Membership

Requires all applicants to become ArcheryGB members (an **annual** fee in the region of £43 at time of writing, *(reduced for first payment if joining at certain points through the year - their year begins 1st October)*). This is payable via our club. In addition, the monthly Club membership fee by bank standing order is currently £12 adults, £6 child under 18. (There are small annual fees payable to our County and Regional governing bodies – but at time of writing, these are paid by the club when existing funds allow)

Archery Equipment

The club fees cover the cost of Field hire, bosses, targets, equipment storage and equipment & liability insurance. We are often asked how much the equipment costs that an archer needs and where to buy it from. Where stocks allow, a bow and arrows will be made available to new members for their first four to five weeks, after which it will be expected that they acquire their own suitable equipment. Beginners bows and associated arrows and safety kit, like those used on the beginners course, can be bought as a kit at any reputable archery shop for around £160 and are quite adequate for new archers. An archers needs will be unique to them. We always advise a chat with a coach who can advise on what to look at, what not to buy and advise on local suppliers, to save you expensive mistakes and wasted time. We further advise that you wait until after you have complete a beginners course before purchasing a bow or arrows.
